Mayor Sicker stated there have been a lot of complaints by Ateres regarding the parking. Part of the site plan was to put no parking signs in the front of the property, which is illegal to park anyway. There is parking on David Drive. (that is where the complaints are coming from). The map that he showed had both sides of David Drive. He is crossing out the left side. On the side of the school, we are going to put up signs that say no parking school days 7:00 a.m. to 5 p.m. On the front we are going to put no parking or standing between signs. It is still being researched regarding the school zones to make it a 20 mph speed zone Monday – Friday.
