Dear Ms. Weinraub:

We have received a Notification of Intent to Act as Lead Agency, a Full Environmental Assessment Form (EAF), and other supporting documentation for the above referenced project. This office has no objection to the Village of New Hempstead Village Board acting as Lead Agency for this project. Detailed engineering plans are to be provided so that it can be determined which approvals from this department will be required.

If you have any questions regarding this matter, do not hesitate to call.

Very truly yours,
