Subject: Veolia Water New York Review Comments for:  
103 Brick Church LLC, Petition

Dear Board,

Veolia Water is in receipt of your request to review the above referenced proposed zoning action. Below please find our comments:

- Veolia Water New York requests the applicant to submit a Willingness to Service Application upon completion of each lot plan. The document requires the applicant list the proposed water demands for the property to ensure we can adequately serve the property. (application is attached)

Please call me at 845 620 6215, if you need any additional information.

Very truly yours,
