Dear Ms. Weinraub:

We have received a Notification of Intent to Act as Lead Agency, a Full Environmental Assessment Form (EAF), and other supporting documentation, for the above referenced project. This office has no objection to the Village of New Hempstead Board of Trustees acting as Lead Agency for this project. Detailed engineering plans are to be provided so that it can be determined if additional approvals from this department are required. Other comments are as follows:

1. Application is to be made to the RCDOH for review of the storm water management system for compliance with the County Mosquito Code.

If you have any questions regarding this matter, do not hesitate to call.

Very truly yours,
