Subject: Hamaspik Choice - PB meeting tonight

Importance: High

Dear Amanda,

I have just been advised that the Traffic Impact Study (TIS) previously submitted to the Village by the applicant was not sent to the Village's consultant for review. The applicant has now sent it directly to the consultant.

Since traffic is the major issue for this project, it makes no sense to appear before the Planning Board this evening, as nothing can be accomplished. Therefore, please ask the PB to adjourn this matter to its January meeting. Please confirm the date for m

Very truly yours,

Ira M. Emanuel, Esq.
