Good Morning Fred,

Hope all is well! I am circling back on the **Denton** Acres project. We had a meeting with the Village and they were not in favor of the no lefthand turn off Schoolhouse Road onto New Hempstead Road. Attached is a revised sketch which now shows the lefthand turn. The Rockland County Highway Department has approved this new sketch. Please let me know if you have any objection to this new sketch.

Thank you,

Joseph Nyitray, Jr., PE

Subject: **Denton** Acres Project - Intersection Modification

Good Morning Fred,

Hope all is well! I have a project we are working on in the Village of New Hempstead titled "**Denton** Acres". As a part of the project, we are looking to improve the intersection of New Hempstead Road and Schoolhouse Road for safety reasons. Attached is the "Intersection Modification" sketch and memo explaining the modifications. These documents have already been reviewed and approved by the Rockland County Highway Department. In order to advance the project further with the Village of New Hempstead, they are also requesting acceptance of the proposed modifications by the Town of Ramapo. Please review and feel free to give me a call if you have any questions.

Thank you,

Joseph A. Nyitray Jr., P.E.
