Re: Bama Enterprises Corp. (Binyamin Amona)  
*619 Union Road, New Hempstead, NY (SBL 50.05-1-18)*

Dear Board Members:

This letter is written on behalf BAMA Enterprises Corp (Binyamin Amona). We appeared before you last month and were directed to provide a hardship narrative backed by financial records because our client's application did not comply with all subdivision requirements. We provided that via email last week and a hard copy was delivered yesterday.

We are advised that this matter cannot appear on the March Planning Board agenda because there is not sufficient time to review the submissions. I therefore, requested if the matter is going to be put on the April agenda, the requisite notices be sent to municipal agencies now so that the April appearance can be a Public Hearing. I was advised that the matter will be on for discussion only and no public notice is required. If that is the case and it is only on for discussion, we require an advance to the March agenda so that we can be on the April meeting for a Public Hearing. My client's application has been languishing, and he is losing money every day this is delayed.

Very Truly Yours,

JOSEPH A. CHURGIN
